

TUBULAR VIALS AND AMPOULES

SGD Pharma is a global producer of molded and tubular glass for pharmaceutical primary packaging.

Building on over a century of expertise, we provide exceptional quality packaging solutions dedicated to parenteral, oral, and nasal products for every therapeutic application.

Our worldwide clients are supported by more than 90 agents and distributors and benefit from ongoing innovation at our five best-in-class ISO 15378 certified, GMP-compliant manufacturing plants, giving truly global supply chain infrastructure.

SGD Pharma India is part of SGD Pharma.

The products we offer include Type I neutral borosilicate glass primary packaging for pharmaceutical and biological companies.

Tubular packaging made of Type I glass compliant with USP, EP and JP requirements is manufactured and released in accordance with GMP standards. SGD Pharma India provides full regulatory support to facilitate pharmaceutical products registration.

Containers are delivered worldwide thanks to a strong supply chain organization, which guarantees delivery consistency as well as full traceability.
